

8. The permittee's permit number shall be prominently displayed on both sides and the rear of the vehicle (motorized and containerized units) in figures at least 3 inches high and of a color that contrasts with the color of the vehicle.
9. Safety and Emergency Equipment: All vehicles shall carry the safety and emergency equipment contained in the application for this permit in addition to any equipment required by DOT 49 CFR Motor Carrier Safety Regulations.
10. Spill Containment Equipment: All vehicles shall carry spill containment equipment appropriate for the type of waste being transported. All vehicles shall carry a copy of the Spill Control Plan.
11. Each vehicle engaged in the transportation of solid waste must be fully enclosed or covered to prevent the discharge or release of solid waste to the environment.
12. All personnel shall be properly trained prior to handling or transporting wastes for which this permit is being issued.
13. Permittee shall maintain insurance in compliance with requirements described in the DRGSW, Section 7: Transporters.
14. Permit amendments:
  - a. Permittee must notify DNREC in writing of any additions of waste types, waste destinations, or changes in operations or procedures at least ten working days before putting those changes into effect. If a permit amendment is required, written approval from DNREC must be obtained prior to putting those changes into effect. Changes requiring a permit amendment include (but are not limited to) additions of waste types, additions of waste destinations, and changes in company name or address.
  - b. Permittee must notify DNREC in writing of any changes in equipment (vehicle additions/deletions) at least five working days prior to putting those changes into effect.
15. This permit does not relieve the permittee of complying with any other applicable Federal, State or local regulations or ordinances, including, but not limited to, vehicle load restrictions pursuant to 21 Del. C. Chapter 45. Failure to comply may be grounds for suspension or revocation of this permit.
16. In the event that regulations governing the activity authorized in this permit are revised, this permit may be reopened and modified, after notice and opportunity for a public hearing. At that time, additional limitations, requirements, and/or special conditions may be included in the permit.
17. The provisions of this permit are severable, and if any provision of this permit, or the application of any provision of this permit to any circumstance is held invalid, the application of such provision to other circumstances and the remainder of this permit shall not be affected thereby.
18. Permittee shall immediately contact the Department in the event of a release of any waste material while in transport in or through Delaware. The 24 hr. numbers to call are 800.662.8802, 302.739.9401 or 911.
19. Any violation of the conditions of this permit, regulations promulgated by the Department of Natural Resources and Environmental Control, Secretary's Orders, or provisions of 7 Del. C. Chapter 60 will be grounds for suspension or revocation of this permit.

20. Environmental Violations: Permittee is responsible for reporting all proposed and final notices of violation, criminal citations, tickets, arrests, convictions, civil or administrative penalties proposed or assessed whether against the company, its owners or operators, corporate officers, and company employees including but not limited to drivers, operating under the authority of this permit involving any environmental statute, regulation, permit, license, approval or order. Such report shall be made to the Department within 15 days of the date issuance regardless of the state in which it occurred.
21. Special conditions:
- A. Business License: Permittee shall, upon obtaining and servicing customers in the State of Delaware, obtain a Delaware Business License from the State Division of Revenue as required by 30 Del. C., Chapter 21. The Division of Revenue may be contacted at 302.577.5800. Upon receipt of this license, the permittee shall submit a copy of the license to the Department of Natural Resources and Environmental Control, Solid and Hazardous Waste Management Section. This requirement applies to all transporters.
